BEDROCK is the highly sought after Prolific son that commanded a top price of \$360,000 and offers the complete package of phenotype, EPDs, and maternal!

He is a breed leader for multiple traits that are at the highest of priorities for breeders such as WW, YW, CLAW, ANGLE, \$M and \$C.

His elite \$M predictions, solidified by a beautiful uddered dam, make BEDROCK an ideal candidate to create the next generation of great Angus females.
